PERSONAL PROFILE

A highly motivated and detail-oriented Software Engineering Technician student at Centennial College with a strong academic record (Cumulative GPA: 3.89) and hands-on experience in web development and graphic design. Skilled in programming (C#, Java), front-end web development (HTML, CSS), and database management (Oracle, MS-SQL). Proven ability to design and deliver responsive, user-friendly websites and applications that meet client needs. Seeking to leverage technical expertise and design skills to contribute to impactful projects as a Web Designer/Graphic Designer.

SUMMARY OF QUALIFICATIONS

- Strong academic background with a Cumulative GPA of 3.89 as a Software Engineering Technician student at Centennial College.
- Proficient in programming languages (C#, Java) and front-end web development (HTML, CSS).
- Experienced in designing and developing responsive websites and functional web applications.
- Demonstrated creativity, problem-solving, and attention to detail through academic projects and professional experience.
- Proven ability to collaborate effectively in team environments, meet tight deadlines, and adapt to changing requirements.
- Recognized for innovative design and delivering high-quality, user-friendly websites that exceed client expectations.

EDUCATION

Diploma- Software Engineering Technician

Centennial College, Toronto, Ontario, Canada.

January 2025 – Present

I am currently pursuing a Diploma in Software Engineering Technician at Centennial College, Toronto, Ontario, Canada, since January 2025. Through hands-on projects, such as creating websites and web applications, I have developed strong skills in front-end web development, programming, and problem-solving, achieving a cumulative GPA of 3.89

Relevant Courses Completed:

- Web Development and Programming
- Object-Oriented Software Design
- Database Management

Key Achievements:

- Achieved a cumulative GPA of 3.89.
- Created multiple websites using HTML, CSS, and Java, including a home listing website, class schedule organizer, and interactive image gallery, showcasing strong front-end development skills.

WORK HISTORY

Staffing Inc.,
Toronto, ON, Canada

May-Dec 2025

Web Developer

As a Web Developer Intern at Staffing Inc., I honed my skills in responsive web design, programming, and collaboration. I gained valuable experience in meeting client requirements, managing project timelines, and adapting to dynamic challenges, which enhanced my problem-solving and teamwork abilities.

Key Achievements:

- Successfully delivered a fully functional website for a client within a tight deadline, exceeding expectations in both design and functionality.
- Collaborated with a team to implement dynamic features for web projects.

TECHNICAL SKILLS SUMMARY

- **Programming Languages:** C#, Java, HTML, CSS
- **Web Development:** Front-end development, responsive design, web services programming
- **Database Management:** Oracle, MS-SQL Server
- **Software Design:** Object-oriented programming, software testing
- **Tools:** Microsoft Office Suite (Word, Excel, PowerPoint), Visual Studio, Eclipse

PERSONAL INTERESTS / VOLUNTEER WORK

- Passionate about web design and development, often creating personal projects to explore new technologies.
- Volunteer experience in organizing coding workshops for high school students.
- Enjoys traveling to explore different cultures and gain inspiration for creative projects.
